in the sun these four hours." "Sat in the sun?"

ting my dinner in the sun was about ate ceremonies.

My grandfather stood doubtful for a moment, but finally his sense of humor overcome his sense or injury, and door for admission into the Union as a hat, he said:

spilled the milk she was carrying.

the cellar to draw some cider.

"Is it?" replied my grandmother tranquilly. "Weil I think that it is likely enough, falling so far."

"Falling so far? what do you mean?"

It was observed that a certain rich man began invited any one to dine with

"Why, you know I said I shouln't carry milk over those broken stairs again, and you told me to try the next get an invitation from hin." The wathe milk down into them."

who lives over in Berrien county, Michi- sir, come and take dinner with me. B. came in, Samuel lifted the fatal plat- will take her at nine thousand? ter to his face, and as she entered he put the "poison" from his lips with the I guess you won't lick me any more!" Now what did this Spartan dame do? Did she shrick for a docter and fall into hysteries? Not much. She simply took Samuel by the nap of the neck, lifted PRIME RED CLOVER. him deftly into the pantry, beat the whites of six eggs together, and told him to engult the same instanter; he re fusing, she called the hired girl, in a twinkling Sam found himself outside the albumen. Then Mrs. B. began preparing a mustard emetic. Seeing this, Sam's pluck dissolved, and he commenced begging crying, "I was only tryin, to skeer ye." But the stern mother was not to be softened, and Samuel had to CANADA CLUB SPRING, (Wheat,) swallow the mustard. He was forced to take a dose of pain killer, and his back rubbed with "Vigor of Life," and his stomach with the "Oil of Gladness." Then he vomited up everything but his boots and socks. This being over, he took seven Ayer's pills, two spoonfuls SEED POTATOES, EARLY ROSE, of castor oil, a tenspoonful of salts and a bine pill. And now, if you want to behold the maddest boy in Michigan, just say "fly-poison" to Sam Buckelby.

"Look on this Ficture-And on This."

The Washington correspondent of the Chie go Inter-Ccean relates the following readable incident: We all know Carpenter's picture of the "Signing of GARDEN AND FIELD SEEDS, the Emancipation Proclamation." Linin hand, is it even after long council and mediation he still hesitated; Chase th secretary of the trearury, stands bea very moment of dignity, looking hopefully in the glorious future; Stanton,

fierce and determined, has pushed his "Mr. Moncton," said my grandmoth- chair back as if he had said all he had er, "I have no wood to burn to-day. What shall we do?"

"Oh, send Louisa to pick up some," and the good man making a stride to-note its solamnite. Look at the picture well—note its solamnite. and the good man making a struct to note its solemnity, the air of serious and anxious thought not unduly studied, dramatic. Now, I will tell you how that thing really happened. Two days "But she has already broken up every-"Oh! well then, do the next best ter, was transacted, and the secretaries ONE thing-I must be off," said the farmer, were suprised to receive next morning a and off he was whistling as he went, summons to a special meeting to be held

and so doubt wondering in his heart white house at twelve, and going to Mr. what the next best thing would turn out Lincoln's room found him sitting in his Dry Pine Lumber, BOOT AND SHOE STORE, Noon came and with it came my grandfather and four hungry laborers. My grandmother stood in the kitchen spinning on her great wheel and singing a pleasant ditty; Louisa was scouring in the back room, and the cat sat purring on the hearth before a black and fireless chimney, while the table sat in the middle of the room, spread for dinaer, with empty dishes.

Lincoln's room found him sitting in his great arm-chair, his long legs crossed, an open book in his hand, and a peculiarly amused look on his face. "Sit down," said he to the gentlemen as they came in. "I want to read one of Orpheus C. Kerr's war letters from the Mackerel Brigade, convulsing himself and his hearers with laughter. But each other, rather wondering what it all

"Why, yes, so. But where is the din- then suddenly drew his chair up to the table and addressed the cabinet: "Gen-"In the pot on the door step. Won't tlemen," said he, "of course, you know ou see if it is done?"

And on the door step, to be sure, sat have a proclamation here," he continubegan my grandfather, indignantly. it, he signed it then and there; and that "This dinner isn't cooked at ail!" is the true story of "Signing the Eman-

This dinner isn't cooked at air.
"Dear me, is it not? Why it has sat cipation." Carpenter is probably faithful to facts as any artist to historic scenes. The truth is that great events "Yes, you told me to try the next best are rarely formal. It is only in trifles thing to have a fire, and I thought set- that we can stop to think of appropri-
